THE STORY

Count Gruemon, a notorious swine, hated mice with a passion. One day, he discovered a mouse in his castle. Frustrated and irate, Count Gruemon ordered Puss N' Boots (Pero) to find and destroy the mouse. However, Pero was a kind-hearted cat and had become friends with the mouse, and so, helped the little creature to escape. In a fit of anger, Count Gruemon, aided by Dr Gari-gari, a fiendish scientist wolf, sent Pero on a perilous time-travel journey around the world and into the past. Now, Pero must locate

and defeat Count Gruemon and the mad Dr. Gari-gari, and use their Time Machine to get home—or be stuck in the past forever. To make matters worse, the Cat Kingdom has sent Killers after Pero because he helped a mouse and thereby violated Cat Kingdom Law. Pero must travel to exotic lands and overcome many hazards, but can he defeat the combined might of the diabolical Count Gruemon, Dr Gari-gari, and the Killers.

STAGE 2

THE OCEAN

Travel the vast ocean by ship and submarine. Beware of enemy ships, sharks, and the Giant Seaflower. Mecha-Frog awaits you at the end of this stage.

SHIP

SUBMARINE

Watch out for enemies above and below the water as you captain your great ship first and then your mighty submarine.

Mecha-Frog, the huge robot frog, is a fearsome metal giant who will spew forth many little energy-draining frogs at you. Ribbit!

STAGE 3 ARABIA

The only way to cross the hot, dry desert is by car. But, look out for Dr. Gari-gari's attacking airship.

Get a free life (1-UP) by getting the "Pero symbol" in this stage.

STAGE 4 SPACE WARS

Take to the skies in Pero's powerfully fast airplane. Be ready to shoot attacking bats and objects that cross your flight path.

Steer clear of the lightning bolts.

The UFO is very strong and quick, so shoot fast!

STAGE 5 LONDON

Move about London on foot as you did in the West. The Killers from the Cat Kingdom are on the loose, so be alert for an attack! Inside, move through the dangerous Conveyer Belts and Pistons. "Me-owch!"

The Killer Cats are fast, so be ready.

The terrible towering Giant Demon stands guard at the end of this leg of Pero's journey! Avoid his huge sword.

STAGE 6 LIBERTY

Soar the unfriendly skies once more, but this time in a beautiful balloon. Flying is more difficult as clouds block your view.

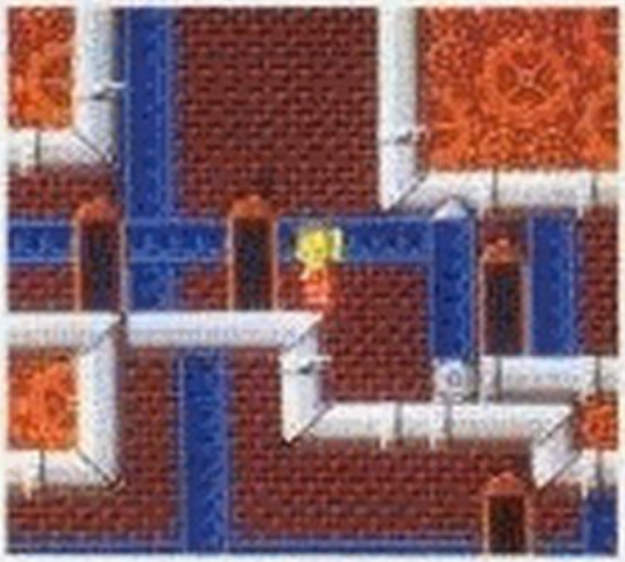
Fire missiles at the enemy balloon to bring it down.

STAGE 7

NEW YORK

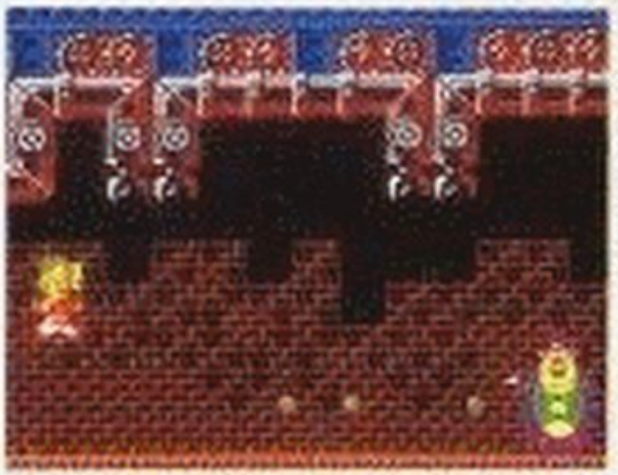
Move about on foot through the complex maze of rooms and stairways. In this final stage, Pero will meet a Giant Snake, and Dr. Gari-gari and the diabolical Count Gruemon!

Try to keep track as you move through the series of rooms, stairways, pipes, and secret passages. Watch out for the Killers from the Cat Kingdom.



The slithering Giant Snake seems to be all over the entire room at once. Be quick to jump out of his path.

In the last room, Dr. Gari-gari and Count Gruemon will appear. They are powerful and quick, and are bent on having their revenge on Pero! Defeating Dr. Gari-gari gives you 3000 points!



Overcoming the treacherous Count Gruemon earns you 5000 points and wins the game! Can you escape their evil clutches and overcome their combined might to return Pero to the present?!!
